Deflecto® Lit-Loc Wall Display Systems:

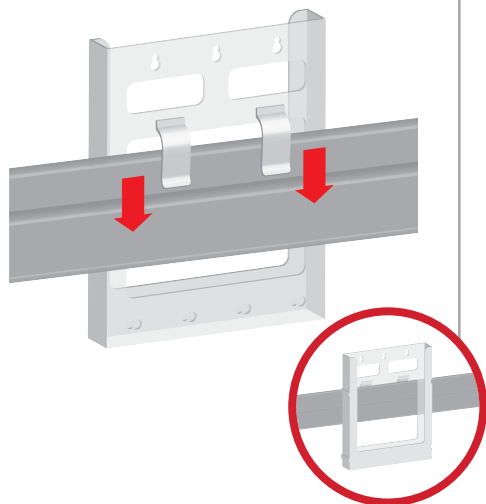

Transform your brochure and promotional material presentation with the **Deflecto® Lit-Loc Wall Display System**. Designed to attract attention, its cascading tiered design and clear plastic construction ensure your literature is displayed in a clean, professional manner that enhances visibility and engagement.

The Lit-Loc system is fully customisable to meet your specific display needs. Units can be easily interlocked horizontally and/or vertically, allowing for a number of different configurations and possibilities. For displays extending beyond four tiers, our sturdy bases provide additional support to maintain stability and performance.

How to Interlock our Lit-Loc Units:

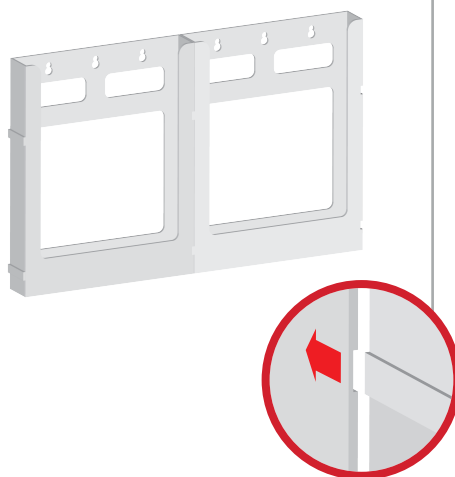

Interlocking Units to the Wall Rail

Using the outer hooks again, simply place your unit above the wall rail and slide the hooks downwards to lock into place.

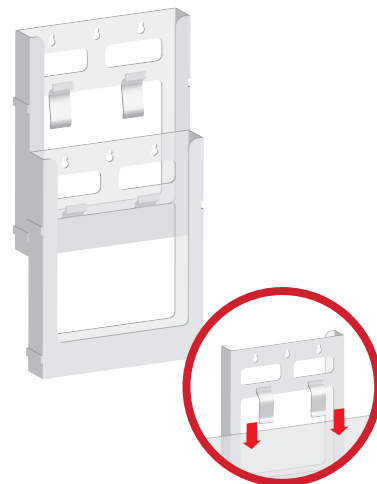

Interlocking Units Horizontally

Locate the outer grooves of your unit and simply slide it into the inner groove of the other unit.

Interlocking Units Vertically

Located on the back, the outer hooks can attach to other units. To attach, simply place your unit above another and slide the hooks downwards to lock them into place.

Visit our Website or contact your local representative to find out more regarding the Lit-Loc Wall Display Systems.
