DEFLECTO, A NAME RECOGNISED ACROSS THE WORLD

Our Promise To You:

Customer Service

We provide exceptional customer service with expert industry knowledge and experience.

Expert Knowledge

Having a wide range of display products, we pride ourselves on our extensive range of industry knowledge and technical material.

Sell The Best

Our products have been designed using high-quality, innovative and cost-effective materials.

Fast & Secure Delivery

Using the best freight services in Australia, you can expect trackable, secure and rapid delivery on your purchase.

What size products do I need?

Pocket sizes are guided by paper sizes.
Please refer to our paper size diagram below

Paper Size	Dimensions W x H (Portrait)
A0	841mm x 1189mm
A1	594mm x 841mm
A2	420mm x 594mm
A3	297mm x 420mm
A4	210mm x 297mm
A5	148mm x 210mm
A6	105mm x 148mm
A7	74mm x 105mm
A8	52mm x 74mm
DL	100mm x 210mm

How durable are your products in comparison to glass displays?

Under normal conditions, our perspex, plastic and acrylic products are superior in durability in comparison to glass. They are a lightweight, safe and cost-effective alternative.

Can you provide custom made products?

We can get items specifically made through our quality accredited manufacturing plant in China. Please contact your sales representative for enquiries.

*MOQ's (Minimum Order Quantities) & pricing involved.

Can we get products screen printed?

Yes, we can personalise our office & display products to suit your needs. Email info@jpmark.com.au for estimated lead times and quotes.

How do I assemble your portable displays?

Our portable displays have been specifically designed for simplicity and easy mobility. The concertina exhibition displays effortlessly expand, lock into place and collapse with ease. Other products including foyer brochure stands are constructed using minimal pieces for easy assembly. No tools are necessary.

Are carry cases included with your exhibition displays?

Carry cases come with the following products:

DR1003, DR1007 & DR3003

Do you include screws for your wall mounted products?

Since the products can be affixed to multiple surface types, we do not supply the hardware for all mounted products. We do carry brackets for slat walls (model no: 2375) that can be attached (purchased separately).

What are the turnaround times for orders?

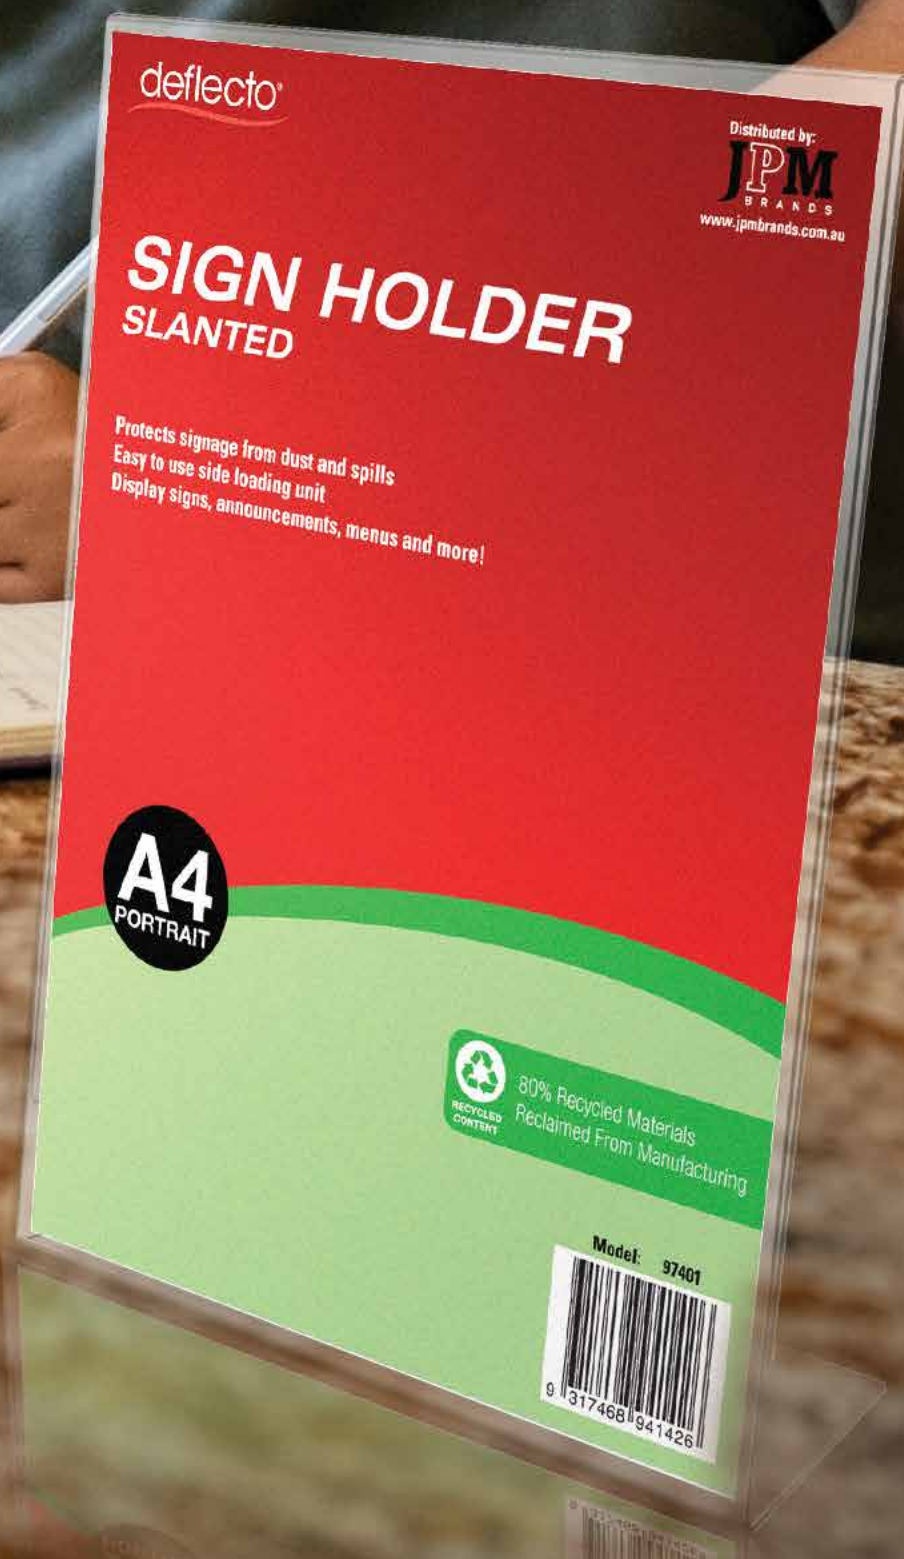

Destination	ETA
VIC	24 Hours
NSW Metro	24 - 48 Hours
ACT	3 - 4 Business Days

Introducing the Deflecto water resistant 18 litre capacity laptop backpacks. Crafted from woven fabric made from recycled polyester, combining style and functionality seamlessly.

Clear plastic bottles are collected

The bottles are washed and cut into small pieces

The plastic is melted, spun into yarn, and woven into fabric

The water-resistant, eco-friendly fabric is used to make our bags

18 Litre Backpack

- 18 Litre capacity for your essentials
- 2 side pockets for water bottle
- Laptop Protection: Integrated digital compartment with padded sleeve suitable for laptops up to 15.6"
- Made from 100% recycled and repurposed plastic bottles
